(c) A copy of the Guidelines regard ing Institutional Transactions in shares issued by the Government in May, 1990 is attached hereunder.

GUIDELINES Institutional Transactions in Shares

In order to make the transactions in shares (as also convertible debentures and preference shares) by all India public financial and investment institutions, i.e. IDBI, ICICT, IFCI, UTI, LIC, GIC and its subsidiaries, more open and transparent, it has been decided that:—

(1) For any sales of over 1 per cent of the paid up capital of a company, the information regarding the transaction and the price shall be disclosed to the general public by the institution concerned through a Press Release within a day of the transaction. Information Will also be sent to SEBI and the concerned stock exchanges. This disclosure requirement will also apply in respect of inter-institutional sale or sale to banks/their subsidiaries.

(2) The Board of each institution should lay down appropriate criteria for such transactions, keeping in view the specific objectives of the institution. These institutions should be guided by commercial considerations in laying down such criteria as also in their actual operations.

(3) IDBI, ICICI, IFCI, UTI, LIC, GIC and its subsidiaries shall normally sell shares *pnd other* equity related instruments to non-institutional buyers only on recognised stock exchanges. This should be done through empanelled brokers at market prices. All sales should be for delivery. Subject to the disclosure requirement in Para 1, inter-institutional bulk transfer of shares will normally be through direct negotiations among institutions.

(4) Negotiated sales/purchases to non-institutional buyers should normally not be undertaken. However, these could be dons insituations involving sickness, imanagerrsent change and mergers, etc. with the approval/ratification of the Board/ appropriate committee. These sales will be disclosed to the public, as provided in para (1) above.

(5) In suitable cases like those involving sick companies or for portfolio adjustments, sales may, be

done by open offer or auction. Criteria for fixing the offer price should be disclosed.

(6) Each institution shall inform its Board on a quarterly basis of sales and purchases of shares of any company where such sales/ purchases exceed Rs. 5 lakhs during the quarter. Each institution shall also inform its Board its shareholding in each company at six monthly intervals.
